

## For Immediate Release

### Hillary Machinery Inc Announces Key Promotions

*Plano, Texas – August 1, 2010-* Dave Weber, Hillary Machinery Inc's Chairman/CEO has promoted Doug Weber to the position of President. Doug Weber (pictured left) joined the organization in 1995 and was educated at the University of Texas at Arlington where he received his BBA in Business Management in 1992. Over his career at Hillary,

Doug served in the company's sales and service department before being promoted to Vice President of Operations in 2005. Troy Owen (pictured right) has been promoted to Executive Vice President. Troy joined the company in 1997 and received his BBA in Business Management from the University of North Texas in 1990. Troy also served in the company's sales and service department before he was promoted to VP Sales and Marketing in 2005.

Mike Bachmann (pictured left) has been promoted to Vice President. Mike joined the company in 1995 as an application and service engineer before moving into sales. In 2005, Bachmann was promoted to Regional Manager assigned to the company's Houston office where he has been instrumental in managing many of Hillary's major customers in the area in addition to being very effective in training and managing the areas sales staff during a period of rapid growth for the company.
