About TCF Financial Corporation:

Established in 1923, TCF Financial Corporation is a national bank holding company with \$16.7 billion in assets. TCF National Bank has more than 448 banking offices in Minnesota, Illinois, Michigan, Wisconsin, Colorado, Indiana and Arizona.

Benefits of TCF Equipment Finance:

- TCF Equipment Finance, along with Winthrop Resources, has a significant investment in leasing assets with a portfolio exceeding \$2.5 billion.
- For the year end 2007, TCF Equipment Finance, on a combined basis with Winthrop Resources, was listed as the 34th largest equipment finance/leasing company in the U.S. as well as 29th largest for new business volume.
- As a retail bank, TCF generates its own deposits, which provide a consistent source of funding for its equipment financing transactions.
